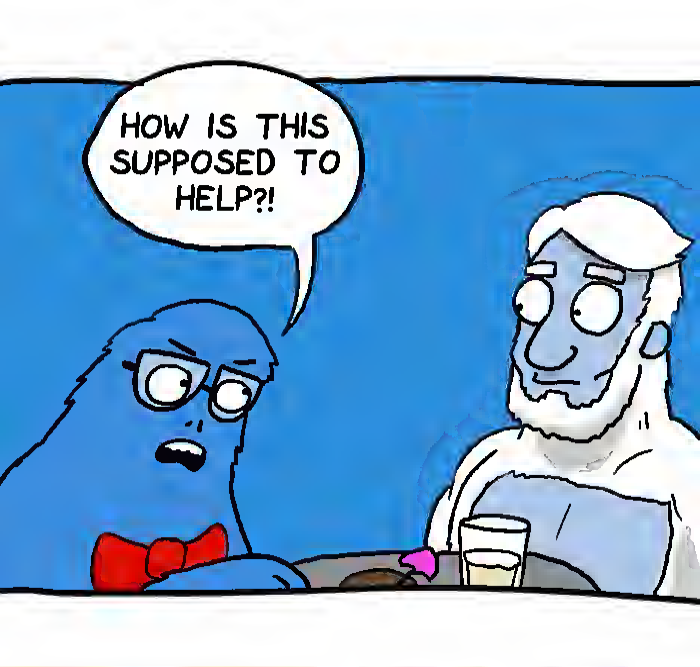
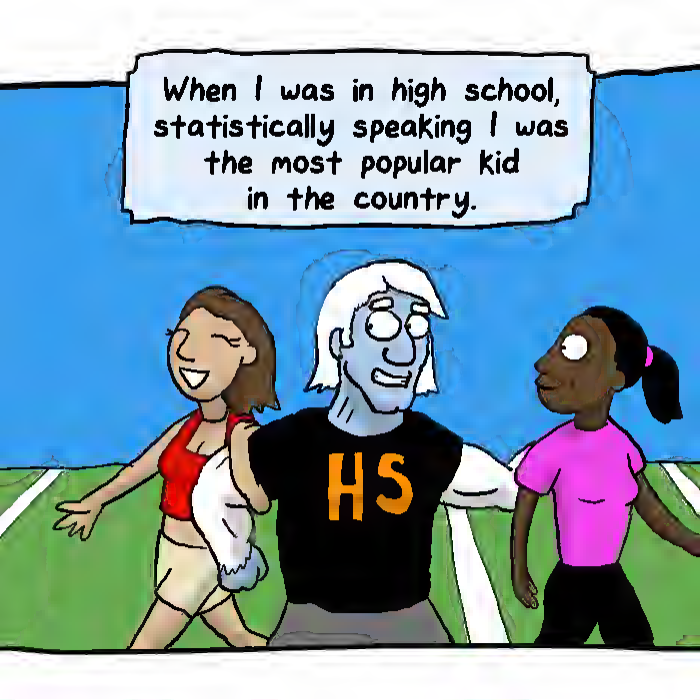
Lars

Sometimes I feel like my life is too hard. Like it just comes easier for other people, you know?

Lars, bro... let me tell you a story...



HOW IS THIS SUPPOSED TO HELP?!



When I was in high school, statistically speaking I was the most popular kid in the country.
HS

College was different.
I was given the position of Dean during my freshman year. I never even went to class!
U

Life is funny, though
When I joined the military I was given the Medal of Honor on my first day and promoted to General
